Perfect guy Ego's best friend, Shikane, is a clown. However, both of them got in very odd---until one day, when they suddenly fused. It wasn't clear who drew closer to the other, but let us choose: either the friendly one, who never returns (just, that happened a long time ago).

Other than this, there are short stories of the private life of the president of an IT company. This is the debut work of a BL writer, her first comic!

Perfect guy Ego's best friend, Shikama, is a loner.

However, both of them get on very well---until one day, when they suddenly realize

It won't clear who drew closer to the other. But let us hope after the friendship that will never return (well, that happened a long time ago).

Other than this, there are short stories of the private life of the president of an IT company. This is the debut work of a BL writer, her first novel!
